

# Westview Medical Foundation

A hospital can be a warm and compassionate place - an environment in which people care for people.

That is what you find at Westview Hospital. Every day, every hour, caring doctors, nurses and support staff work to cure ill, mend bodies and encourage wellness. Whether it's behind the scenes or on the front line of medical care, Westview people work to make our community healthy.

For 34 years Westview Hospital has cared for the people of central Indiana in our state's only osteopathic hospital. When you join us for the 12<sup>th</sup> annual *Friends of the Foundation* golf outing, you will help this important work continue.
